microphones, the PA system up at full blast. Please hold your conversations down.

SENATOR CAL CARSTEN: As I said yesterday, we had thought that LB790 was in final form and in good shape to satisfy everyone. But yesterday morning the City of Omaha had discovered after reading the final print of LB790 that they had a problem on their board of MAPA and asked if we would consider a....removing a short sentence in this bill...to comply so that they would not be interrupted on their board. And after discussion with the City of Lincoln and the Council of Governments people, we did decide that it was all right and as I said, I reluctantly pulled the bill back from Final Reading and the motion or the amendment is on LB....or page 1189 and it reads as follows. (Senator Carsten read from page 1189). This will not then interfere with the board in Omaha and it certainly was not our intent originally. I move for the adoption of the amendment then, Mr. President.

PRESIDENT: We'll have to bring the bill back first.

SENATOR CAL CARSTEN: Excuse me, I move to return the bill then.

PRESIDENT: All right, is there any further discussion of the motion just to return LB790 to Select File for Cal or Senator Cal Carstens specific amendment? Any further discussion? Then the question is, do you want to return LB790 to Select File? All those in favor of the return of the bill vote aye. All those opposed vote no. This is to return the bill only. The motion is to return LB790 and you are returning it only. Only to return the bill. Thank you. Clerk will record. Read the results.

CLERK: 25 ayes.

PRESIDENT: Very good, the bill is returned. Now, Senator Cal Carsten.

SENATOR CAL CARSTEN: Mr. President and members of the Legislature, I move for the adoption of the amendment as I had explained it.

PRESIDENT: Do you need to discuss the amendment? Then the question is, do you want to adopt Senator C. Carsten's specific amendment to LB790 on Select File. If you do, vote aye, if not, vote no. Thank you. Clerk will record. Read the results.

CLERK: 26 ayes, no nays.

PRESIDENT: The motion is adopted. Senator Cal Carstens.

SENATOR C. CARSTEN: I move the advancement of the bill.

PRESIDENT: You've heard the motion now to readvance LB790 as amended. All those in favor of readvancement of the bill, please say aye. Those opposed say no. So ordered, the bill as amended is readvanced. Do we have other motions on the desk?

CLERK: Yes, Mr. President, I move to return LB327 to Select File for specific amendment, signed, J. James Waldron.
